Web Developer

45/57,Karuppan Chettiyar Street,kottar,Nagercoil, 629 002 | +91 8754838433

CAREER SUMMARY:

Web Developer with over 2 years of experience specializing in CodeIgniter 3, PHP, and MySQL. Skilled in building and testing RESTful APIs, creating responsive user interfaces with React.js and Tailwind CSS, and maintaining stable, scalable web applications. Experienced with Git version control and collaborative team workflows.

TOTAL EXPERIENCE

I have over 2 years of experience in web development using CodeIgniter 3, PHP, MySQL, jQuery, Bootstrap, and Git. I also have 1 year of experience working with React.js and Tailwind CSS to build responsive user interfaces and connect with APIs.

WORK EXPERIENCE:

NerXpire Technologies

Web Developer | March, 2023 – Present

- Maintained and enhanced an existing CodeIgniter 3–based cab booking system.
- Developed and tested RESTful APIs for mobile applications using Postman.
- Handled regular tasks like CRUD operations, bug fixes, and feature improvements.
- Collaborated with frontend and mobile teams to support seamless API integration.

PROJECTS:

Jewels Airport Transfers

- Involved in maintaining both frontend and backend modules to ensure system stability.
- Created and tested REST APIs using Postman to support Android/iOS functionality.
- Developed React.js frontend components to consume APIs and dynamically display booking, and customer data.
- Worked closely with the backend to handle API integration, error handling, and data rendering in React.
- Handled and resolved real-time customer booking–related issues.

EDUCATION:

2020 – 2023 | Pioneer kumaraswamy college
Bachelor of science in computer science– Manonmaniam Sundharanar University

2023 – 2025 | CSI Institute of Technology
Master of Computer Applications – Anna University

SKILLS:

- **Frontend**: HTML, CSS, Bootstrap, Tailwind CSS, jQuery, React js
- **Backend**: PHP, CodeIgniter,Laravel
